LAST SHOW OF THE SEASON

The last official Hibiscus show of the season will be held on November 1st in the beautiful lobby of the First Federal Savings and Loan Association in St. Petersburg, Florida.

Our president, Mr. Walker Lyon, and his wife, Rose went to work on this project over a year ago. It is through their efforts in laying the ground-work when they were successful in obtaining the St. Petersburg organization as sponsors of their show, that some of the other chapters were able to get sponsors for shows so the public could see all the beautiful bloom at no cost for admissions.

We are told that the First Federal Savings and Loan Association are going all out to pass the word so that a good crowd will be on hand. The success of the show will depend upon whether you bring all your bloom to be exhibited. We all realize that November first is rather late in the year, and the thermometer could be rather low. Let's all keep our fingers crossed, or rub our rabbit feet, or whatever we do to bring good luck.

Don't sell the Sunset Chapter short, however. They were told that it was impossible to put on a Winter show in February, but they did it. Bet they will do this November show too.

Since the doors will be opened to the public at 12:00 noon, all entries will be cut off at 10:00 a.m. sharp. Judging will start at 10:15 a.m. There will be larger teams of judges also.

All exhibitors are asked to cooperate with the rules and to bring EVERY bloom you can, either for competition or just decorations.

See you all on November first at St. Petersburg.
